Disclaimer

This compatibility list is provided for general informational purposes only. Fit results are based on Sagebourn's own testing of the specific models listed, as manufactured at the time of testing. Manufacturers may change stock designs, dimensions, or materials without notice, and individual rifles, aftermarket or replacement stocks, and modifications can vary. Sagebourn does not guarantee fit for any particular firearm. Please confirm fit on your own rifle.

All brand names, model names, and trademarks shown are the property of their respective owners and are used only to identify the products The GatLink™ is designed to work with. Sagebourn is not affiliated with, sponsored by, or endorsed by any of these manufacturers, and their inclusion in this list does not imply any relationship.

The GatLink™ is a shooting support accessory. Always follow safe firearm handling practices and the firearm manufacturer's instructions.
